

# EG&I: Jobs Created by GLI (Attractions & Expansions)

Measurement method:

Sum of the number of jobs created through partnerships with GLI and businesses who are looking to relocate to Louisville or expand current operations in Louisville.

Why measure?

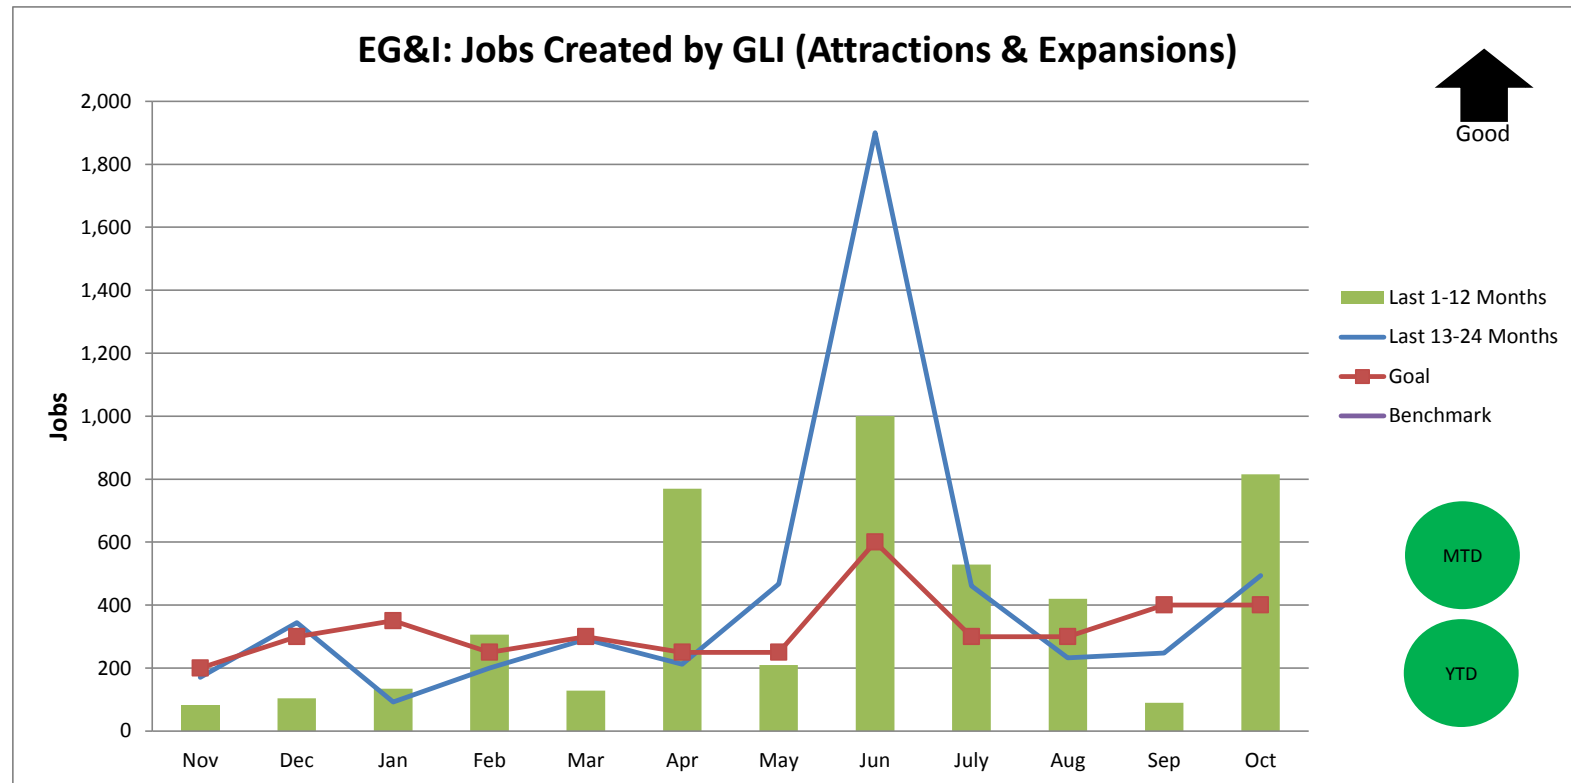

Taking job creation to the next level is a strategic priority for Mayor Fischer

What is our goal?

Increase the number of jobs created by GLI through attractions and expansions

How are we doing?

YTD Goal = 3,900 jobs; YTD Total = 4,589 jobs; YTD Average = 382 jobs; MTD = 815 jobs
